

General instructions

Please read these safety instructions before using your device and store them for possible future reference.

1. Do not attempt to remove any screws, or open the cover of the unit; there are no user serviceable parts inside, refer all servicing to qualified service personnel.
2. The power supply must be replaced by a new one in case of malfunction, because this power supply is not repairable.
3. The socket outlet shall be installed near the equipment and shall be easily accessible.
4. The product is not intended for use by persons (including children) with reduced physical, sensory or mental capacity. Persons who have not read the manual, unless they have received explanations by a person responsible for their safety and supervision, should not use this unit.
5. Children should be monitored to ensure that they do not play unattended with the product.
6. The cord should always be easily accessible.
7. The device should not be exposed to dripping or splashing of water or liquids and no objects filled with liquids, e.g. flower vases, should be placed on the product.
8. The normal ventilation of the product shall not be impeded for intended use.
9. It is recommended to leave a minimum distance of 10 cm around the unit to ensure sufficient ventilation.
10. Open flame sources, such as candles, should not be placed on top of the device.
11. The device is intended for use only in a temperate climate.
12. CAUTION:
Danger of explosion if battery is incorrectly replaced or not replaced by the same type or equivalent.
13. The battery should not be exposed to excessive heat such as sunshine, fire or similar.
14. Different types of batteries, new and used batteries should not be mixed.
15. The battery must be installed according to the polarity.
16. If the battery is worn, it must be removed from the product.
17. The battery must be disposed of safely. Always use the collection bins provided for recycled items in order to protect the environment.

WARNING

1. The **lightning flash** with the arrowhead symbol within an equilateral triangle alerts the user to the presence of un-insulated dangerous voltage within the product's enclosure that could cause electric shock.
2. The **exclamation mark** within an equilateral triangle alerts the user to the presence of important operating and maintenance instructions as well as warnings in the user's manual or on the product.

For European Union:
This symbol on the product or on its packaging indicates that this product shall not be treated as household waste. By ensuring this product is disposed of correctly, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate waste handling of this product. It should be handed over to the applicable collection point for the recycling of electrical and electronic equipment. Please contact your local retailer. The recycling of materials will help to conserve natural resources.

CRYSTALAUDIO

HBT - Quick Guide -

Thank you for purchasing the HBT mini HiFi system

This mini Hi-Fi system delivers **loud sound and deep bass**.

TECHNICAL SPECIFICATIONS:

Power Output (RMS): **30W (2x 15W)**
Max. Power Output: **40W**
Woofer: **2x 4"**
Freq. Response: **40Hz - 20KHz**
Impedance: **4Ω**
S/N: **80dB**
FM Frequency Range: **87.5 - 108MHz**
MP3/WMA Bit Rate: **32-320Kbps (MP3)**
40-320Kbps (WMA)
Rated Voltage: **AC 110-240V, 50/60Hz**
Power Consumption: **20W**
Dimensions (Main Unit): **150x230x195mm**
Dimensions (Speakers): **130x229x155mm (each)**

CONNECTIVITY FEATURES:

- Bluetooth® v5.0
- USB 2.0 port
- ✓ up to 32Gb, FAT16/32 file system
- AUX In
- HEADPHONES

IN THE BOX:

- HBT HiFi system
- Remote Control
- User Manual
- Warranty

OTHER FEATURES:

- CD/CD-R/CD-RW/MP3
