Charge it

- Use the micro USB cable which is **included** in the package.

- A different micro USB cable might not charge **correctly (or even not at all)** the battery of the headphones.

Connect:

- the **micro USB plug** into the headphone's port.

- the **USB plug** into any compatible USB device.

A full charge of the battery takes approximately **2 hours**.

! The headphones are automatically disactivated during charging process.

- While battery is **charging** the indication light is **red**.

- When battery has been **fully charged** the light turns **blue**.
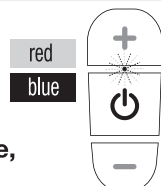

Connect it

1

- Long press (3") the middle button to **activate** (or disactivate) the headphones.

2

red
blue

- Once turned on, the headphones enter automatically **Pairing mode.**
- The indication light is flashing **red-blue, alternately**.

3

- **Activate** Bluetooth mode on your Bluetooth enabled device.
- **Search** for available devices and select **CRYSTAL AUDIO R1**.

CRYSTAL AUDIO R1

!
- In order to pair a second device wirelessly you have to disactivate the Bluetooth mode on your first device and then repeat all necessary steps as stated above to pair the second device.

- The headphones will be automatically turned off if they are not connected to a device within 5 minutes.
